**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We live in an outlying area of Santa Cruz, CA. We rely on the local ISP CRUZIO to receive broadband coverage, which is critical for communication needed for our business of managing our rental property and also for the ability to aid in the operation as buyers of our daughter's retail store which is in Santa Cruz. We have landline telephone service via Velocity. Please don't allow big companies--like AT&T--to control our internet access.
